

Subject: Welcome to the VICEROY Initiative at Houston City College

Dear Cesar Garrido,

I am pleased to inform you that you have been selected as a VICEROY Scholar at Houston City College – an exciting opportunity to grow as a leader in the cyber-spectrum community.

The VICEROY initiative is a mission-focused leadership development pathway that accelerates talent through foundational skills development, experiential learning, and operational application. We're excited to support you in making the most of all that VICEROY has to offer.

Next Steps

Please keep an eye out on your HCCS student email for required action to enroll in the VICEROY Institute.

1. Review the VICEROY Scholar resources page on our website and the Scholar Handbook for key expectations, timelines, and support details. You can find those resources by going to the following link: <https://www.viceroysscholars.org/scholar-resources>.
2. VICEROY will be hosting virtual sessions as part of our ongoing initiative to foster greater connection and collaboration among scholars across all colleges and universities. I encourage you to participate and engage actively as a NEW VICEROY Scholar.
3. On social media, you can find VICEROY at –
 - a. LinkedIn – <https://www.linkedin.com/company/viceroysscholars>
 - b. Instagram – <https://www.instagram.com/viceroysscholars>
 - c. X (formerly Twitter) – <https://x.com/VICEROYscholars>

I am looking forward to seeing the great work that you'll accomplish and the ideas that you'll develop as a part of this initiative. Welcome Aboard!

Robert L. Glover
Executive Director
Military Education Programs
Houston City College

Okay, Devil Dog!
Now's your time...
Get some!!
v/r,
Hammer

Funding for VICEROY is provided by the Office of the Under Secretary of Defense for Research and Engineering in collaboration with the Air Force Research Laboratory and is facilitated through the Griffiss Institute. VICEROY is authorized under the National Defense Authorization Act for Fiscal Year 2019 Section 1640, "Program to Establish Cyber Institutions of Higher Learning."
